

## YOUR NARROWBOAT'S ONBOARD EQUIPMENT

We want to ensure you have every comfort and we go to great lengths to ensure your boat is spotlessly clean and fully equipped. Whilst the short-term impact of Covid-19 has receded, for 2022 we are continuing to operate a stringent cleaning regime for your added reassurance. Where possible we have used environmentally friendly consumables, we have full recycling facilities back at base, and we ask that upon return you place all of the linen from beds into the provided laundry bags to minimise any potential bacterial transmission to our cleaning team.

When you arrive, please take a few moments to check the list below to ensure that everything you need is on board. If anything is missing, please go to reception and let us know, as we cannot be responsible for any errors or omissions once you have set off.
